One sample conversation is given below :

Rahul's mother : Madam, it is all due to your care, attention and affection that has made my son an Engineer. I had never expected that Rahul will become such a great man seeing our background.

Mrs. Mini : No, no, it's not that. I merely helped him as I should.

Rahul's mother : I wish I had had such great persons like you who have kind of 'adopted' children like Rahul. I am sure if you hadn't been there, Rahul could have ended like other children.

Mrs. Mini : You may be right. I can't say anything about it. What I wish to say is that I, somehow, saw in Rahul the potential to rise higher in life. That made me do what I did to him as a normal human being. I feel proud of him that he has come out to my expectations.

Rahul's mother : Rahul and we shall never forget the gratitude for what you have done for our family. I want to say that Rahul will never prove thankless in his regards to you. I am proud to say that Rahul has got two mothers like Lord Krishna.

Mrs. Mini : I wish Rahul all the happiness of the life and the world. He has proved true to my efforts. I am proud of him.

Rahul's mother : Thank you very much. We all shall ever be indebted to you for this.

Mrs. Mini : Oh! mention not. It was my duty.
