DEPARTMENT OF THE ARMY FIELD MANUAL

SURVIVAL

MAY 2002

HEADQUARTERS, DEPARTMENT OF THE ARMY

Copyright Garry KJ Pettet 2005 - 2009
www.garrypettet.com

- The outcome is particularly poor with resection alone (<5% survival at 5 years)
- **Chemotherapy is now the preferred method of treatment and trials have shown an improved life expectancy, although still very poor**

Developed as a primary medical information resource and field guide for the Special Operations Command (SOCOM). As a grid-down medical reference for the doomsday prepper it can't be beaten. Defines the standard of health care delivery under adverse and general field conditions. Organized according to symptoms, organ systems, specialty areas, operational environments and procedures. Emphasizes acute care in all its forms (including gynecology, general medicine, dentistry, poisonings, infestations, parasitic infections, acute infections, hyper- and hypothermia, high altitude, aerospace, dive medicine, and sanitation.). Developed as a primary medical training resource and field guide for the Special Operations Command, the Special Operations Forces Medical Handbook 3rd Edition Pdf defines the standard of health care delivery under adverse and general field conditions. It emphasizes acute care in all its forms (blunt and penetrating trauma, poisonings, infestations, parasitisms, acute infections, hyper and hypothermia, high altitude and decompression sickness and much more) as well as general medicine and sanitation practiced under primitive conditions. It is the work of 80 contributors both from the military and civilian practice. In general topics are covered in a consistent two page format. It is heavily illustrated with color for quick identification of dermatologic conditions, insect bites and stings and exposure problems. Apply now Start your path to career success with strategic, career-focused Bachelor, Master, and MBA degrees program recommendations. Apply in 5 minutes. DO NO HARM, DO KNOW HARM The following medical texts should be in the preps of every serious off-grid survivor: Ranger Medic HandbookSpecial Operations Medical HandbookSTP isaislaug eratnorffa emoc us ehcitarp inoizamrofni id lluF .aicram orol li noc otnemirefir otseug ereduleni a eneb ebberaf ,ilacol aznegreme id izvres i rep arutuf enoizurretni elibissop anu o oretse'lla airatnolov enoissim anu ,aleva a atig anu ,aiccac agnul anu erid a elav ,israruorcp ad eliciffid ebberas acidem aznetsissa'1 iuc ni enoizautis anu ni isravort id adeverp euqnuhC .ecilpmes oiggaugnil nu ni ettircs ehcidem inoizamrofni id ellibidrcni 'Aip asrosir al etnetu'lla erffo J)BHMFO(ilaiceps inoizarepo elled ocidem elaunaM li !lotuia e ipmese ,otnemarprocnid id itaznava ilgatted "Aip id oilgoV .TNE id imelborp e acitsireimrefni ,airtaidep iuc art ,1002 esaeleR J)PAOS(onaip/enozatulav/ovitteibo/ovittegoss etnereoc otamrof nu ni itattart onos itnemogra ilG .elivic e eratilim acitarp alled irosiver 75 e irotarballocc 031 ertlo id arepo A .evitimirp inoizidnoc ni eneigi e anicidem id acitarP atissarap inoizefni ,inoizatsefni ,itnemanelevva ,airtaionodo ,elareneg anicidem ,aigolocenig(emrof eus el ettut ni atuca aruc al aenilottoS .erudecorp e ivitarepo itneibma ,ilaiceps eerA ,inagro id imetsis ,imotnis a esab ni otazzinoagro A .ilareneg e esrevva opmac id inoizidnoc ni airatnas aznetsissa id enoizagore id dradnats of escinifed ilaiceps inoizarepo elled ocidem elaunaM li ,jdnammoC snoitareP0 laicepS(MOCOS icidem i rep opmac lus adieg anu e airamirp ehcidem inoizamrofni id asrosir anu emoc otappulivS J)FOS(ilaiceps evitarepo ezrof el rep otattegorp otelpmoc otnemirefir nU 4 e 3 Atiliba id illevil .B etrap' lacideM etnegreS D81 SOM ILAICEPS EZROF B GT-MS-43D81-13 PTS4 e 3 Atiliba id illevil .A etrap' ocidem etnegreS D81 SOM ILAICEPS EZROF A medical emergency in less than optimal situations, this quick reference guide is rich in diagnostic and therapeutic information you must stay alive and well where there is no doctor, dentist or professional medical care. This latest digital edition of the Special Forces Medical Manual is the work of more than 130 collaborators and 57 reviewers of military and civil practice. The manual is now the unified reference for the standard of provision of health care under adverse and general field conditions for combat physicians in all U.S. military branches. This manual is not an emergency book. Although written for special operations, remote paramedics, nurses, medical and civil assistants dealing with medical issues in primitive or austere conditions will all find the manual very useful. Emphasize acute care in all its forms: gynecology, general medicine, pediatrics, dentistry, poisoning, infestations, practical parasite infections and much more. Treatment protocols are organized for symptoms and system of organs concerned. The topics are dealt with in a coherent subjective format/objective/evaluation/plane (SOAP). It is organized according to symptoms, organ systems, special areas, operating environments and procedures. Diagnosis is made easier with information on the distinctive features of each disease. The questions are listed to quickly get a patient's accurate history and perform a complete physical examination. Every procedure is organized by what, when, what you need, what to do and what not to do. Quotes on The SOFMHB: "I'm a volunteer who does wild medicine and rescue work in the third world. This book has everything and more than you should ever use. This is not only for the conflictAlthough this is well covered. "-" a concise reading for viral, bacterial and parasitic diseases, with images, graphics and graphical instructions for many conditions, every medical staff working outside the main metropolitan areas should have one. this is a publication that will certainly save human lives and improve medical care severely necessary for the sick. any hospital in the field can use the information contained in this book. "-" this is the most comprehensive and detailed medical guide today. If you have a medical background of an emt or more, you will appreciate this manual. great reference to add to a preparation library or for your remote camping or hunting location. If it's not in this book, then there's a chance you don't need to know. If you have to buy only one medical reference book, this is it! "-" I recommend this book to anyone traveling outside the country on mission trips or if you go camping or on the battlefield. This book covers everything from triage to pediatrics. "isbn: 9780160867194key features of this app*: the content is based on the second edition sofmbh 2010 - digital version* strongly illustrated with anatomical drawings and color images in context* easy to oare interactive table table of easy use of interactive table easy navigation* advanced search capabilities* add to bookmarks any topic* easy navigation: swipe to the left/right to view next subject 250 microscopic images* more than 160 color illustrations and diagrams* more than 400 clinical images* hypertext references 9 Dec 2015 version 1.2.1 this app has been updated by apple to display the apple app icon. there are visual elements (such as videos) referred to in the text that are not available on the app.Example, a demonstration of neurological examination videos is mentioned in the section of the altered mental state but but but but but hyperlink takes you to a checklist. This app would be even better if more video or picture visuals were incorporated into the app. I hope the producers improve this in the future. As a current Operator out in the field, I carry this electronic version as a companion to the hard-copy in my ruck. It allows me to key-search with any term I choose and not just rely on the terms selected for me in the reference section of the book. Can't wait for the next release. As a doctor working in remote and austere locations this is THE book. Simply the best reference available and the app is very well done. It has great search ability, impressive pics and is easy to read. This is a must have and I will be using it almost everyday as a study guide/reference tool. The developer, ThatsMyStapler Inc., has not provided details about its privacy practices and handling of data to Apple. The developer will be required to provide privacy details when they submit their next app update. update.
