The new version is now available with the return of the Ancient Secret! 2022/8/5 First Ultimate Quality X-Suit Iridescence X-Suit Golden Pharaoh X-Suit (7-Star) New RPM theme RP M14: Nights of the Fables PUBG MOBILE X BLACKPINK PARTICIPATE THE EVENTS TO PRELOAD THE CONCERT AND GET EXCLUSIVE REWARDS Lightning Nebula Set Ultimate set with special effects PUBG MOBILE: the most popular free-to-play multiplayer action game for Android is here for you to download! Battlegrounds you couldn't imagine One of the most impressive things you discover once you download PUBG Mobile is the size and variety of its battlegrounds. You've probably heard about Erangel or Sanhok, very complex and detailed worlds for you to enjoy the action and defeat your enemies. The environments you'll encounter ranges from cold and hot weather places, like jungles and tropical places, wild or more urban, with different types of terrain, and even night battlegrounds for you to accept the help of the darkness. The closest experience to PC gaming PUBG is one of those games that really stands out because of its graphics. It runs on Unreal Engine 4 which offers a visual experience only comparable to CP and consoles, but on the go! Download it to your Android device and enjoy incredible HD graphics end 3d sound for you to have the most amazing visual experience while enjoying the action. The battle experience gets topped up with a live voice chat, the perfect tool to get your team strategy sharpened as the battle develops. The possibilities are endless PUBG Mobile doesn't only feature the well-known 100 players on a constant shrinking battleground, but also other game modes with different characteristics that fits every fighter needs. If you've got limited patience, you'll enjoy the Arcade and 4v4 Team Deathmatch modes. If you're a team player, don't forget to try the duo and in 4-player squads game modes. The voice chat will be especially helpful with this! All these game modes will have for sure quite an important common corner strategy. From the gear you equip to the paths to take; getting your strategy right will be important since the moment your download PUBG Mobile. Details matter The level of details of PUBG Mobile is insane. The battlegrounds are designed taking into account all the important aspects to make the most out of the action of a battle. From the hiding spaces to the different routes you can take to any specific place, you'll notice that everything offers both a challenge and advantage to your fighting plan. The characters and especially the weapons are extremely realistic and detailed so you can really get a very immersive experience. You'll feel you are actually in danger and in power in many different moments of the battle! Always evolving PUBG Mobile experience will not be the same as at the moment you downloaded it. With daily events and challenges and amazing new features arriving all the time, you'll never get tired of your battle experience since it'll always feel like a new one! The latest update, released at the beginning of September, brought us new maps, weapons and even amazing vehicles like helicopters! It doesn't matter if you pay more attention to the graphics, the number of available weapons or the game experience. PUBG Mobile is the game that exceeds expectations in all these fields and that will provide you with the most amazing battleground experience you can get for an action game for mobile! **Zombie Catchers** Deca Games - Action CS Guns OP Apps - Action Aurora 7 Jollity - Action PAC-MAN DASH!
