Imagine from www.traditionalmusic.co.uk

Imagine there's no heaven
 It's easy if you try
 No hell below us
 Above us only sky
 Imagine all the people
 Living for today

Imagine there's no countries
 It isn't hard to do
 Nothing to kill or die for
 And no religion too
 Imagine all the people
 Living in peace

You may say I'm a dreamer
 But I'm not the only one
 I hope someday you'll join us
 And the world will be one

Imagine no possessions
 I wonder if you can
 No need for greed nor hunger
 A brotherhood of man
 Imagine all the people
 Sharing all the world

You may say I'm a dreamer
 But I'm not the only one
 I hope someday you'll join us
 And the world will live as one

When the night has come and the land is dark
 And the moon is the only light we see
 No, I won't be afraid, oh, I won't be afraid
 Just as long as you stand, stand by me
 So darling, darling, stand by me, oh, stand by me
 Oh, stand, stand by me, stand by me
