CC0 / Jeshootscom / PEXELS monitoring flight times are a necessity when traveling, especially if you are staying to collect a loved one from the terminals of JFK Airport. This will give you the current position of the flight and estimated time of arrival at JFK airport. If you do not have access to the Internet or you cannot view the website, you can always call the airline using its toll-free number. If you need to spend time at the airport, you can also book airport lounges at JFK on the same call. Check the website of the agent you booked through an online agent such as Priceline or Expedia. You can check the status of flight arrivals on their websites as well. Here are the requirements for several main couriers: American, Delta, JetBlue, Southwest, United, check-in at the airport and traveling with a group (and/or lots of bags), allow extra time. Check Security Appearance Times are the biggest bottleneck at arrival at arrival to be security Transport security administration has an application called MySSA, which shows crowdsourced waiting times at security checkpoints. The app in the air has a similar feature. Start with your airport, then select the date and time period you are flying. You can find terminal maps on your airport's website and schedule downtime accordingly. A black dot means the airport is closed. Cancellations also publishes its operating hours online. Screening of the fee will not be guaranteed to be fast, however, so do not rely on this to save you if you are late.
